REAL LIFE. REAL FAITH.

My brothers and sisters,  
believers in our glorious Lord  
Jesus Christ must not show  
favoritism.

- James 2:1

## Keep the conversations going:

1. Do I sometimes play favorites with certain people or certain types of people?
2. Who in my world needs favor right now? How can I help them?
3. Do I give the same mercy to people that God has given to me?
