

JAMES

REAL LIFE. REAL FAITH.

Likewise, the tongue is a small part of the body, but it makes great boasts. Consider what a great forest is set on fire by a small spart.

- James 3:5

Keep the conversations going:

1. What kind of words do you personally need to edit?
2. Depending on who is speaking not all words are created equal. Who's words carry the most weight with you?
3. What unforgettable words are fixed in your memory for good or for bad?
