

# JAMES

REAL LIFE. REAL FAITH.

My dear brothers and sisters,  
take note of this: Everyone  
should be quick to listen, slow  
to speak and slow to become  
angry

- James 1:19

## Keep the conversations going:

1. What is one thing you can do this week to practice better listening skills?
2. Pastor Steve asked, “What comes out of you when you get squeezed?” So, what does come out of you when you get squeezed?
3. What are your thoughts on what Pastor Steve said about Practicing Good Religion?
